RENEWABLE ENERGY STANDARD AND TARIFF SURCHARGE

Applies to: The Morenci Water and Electric Company Service Area
Greenlee and Graham County, Arizona

Arizona Corporation Commission ("Commission") Decision No. 75457 (February 11, 2016) granted a waiver to MWE from the Annual Renewable Energy Requirement for Renewable Energy Standard and Tariff ("REST") Plan years 2015 and 2016. In accordance with that waiver, MWE sought and received approval from the Commission to reduce the REST surcharge to \$0.000 per-kilowatt hour ("kWh") from its previous rate of \$0.004 per kWh. This reduction will apply to all retail electric service. MWE will evaluate – from time to time – its program funding requirements. This rate will remain in effect pending future action by MWE and the Commission. If necessary, MWE may seek to increase the REST surcharge if it becomes apparent that more funding is needed for MWE to meet the standards contained within the REST Rules in future years. The Commission must approve any increases to the REST surcharge. Any change to the REST surcharge amounts will be applied in billing cycle beginning in the month following Commission approval and will not be prorated.

The REST surcharge will be shown as a separate item on customer bills. The REST surcharge was established in accordance with the REST Rules, A.A.C. R14-2-1801 through R14-2-1816, which was approved by the Commission in Decision No. 69127 (November 14, 2006).
